Red House Charity Day

Well done to all the children and families from Red House. You raised £136.00 that will go to your chosen charity, Cancer Research. Thank you for all the donations of cakes and biscuits and a special thank you to the Year Five and Year Six pupils for their hard work on the day.

Down Syndrome Group Northamptonshire

On Thursday the 21st it is the Down Syndrome 'Odd Socks Day'

We would love you to send your children in, in odd socks on Thursday, or even odd tights; apparently, they are available on line.

Also they can be 'odd' as in 'not a pair' or odd as in strange or just amazing.

If the children can bring a minimum donation of £1.00 each it will be wonderful to offer our support to this local charity.

Parent Consultation Evenings

This weekend the 'Teachers 2 Parents' system will have the facility open to book your parent consultation meetings. This will go live from 9.30am on Saturday.

The two parent meeting afternoons / evenings are:

Wednesday 27th March from 4.00 – 7.00pm
and

Thursday 28th March from 3.30 – 6.00pm

Please try to make sure you book an appointment. It was fantastic that we had every single family in the school come to the October meetings.

Students at School

You may have noticed Mr Duffy has finished his placement at the school in Year One. He will be missed and has said will miss the children and staff very much. Miss Bird has now also joined us for a term in Miss Holland's class. I am sure she is also going to have a wonderful placement.

Year Four Faith Trip

On Thursday last week, Mrs Munton and I took our Year Four children to Kettering for a faith workshop. There were representatives there from many different faiths including Jewish, Muslim, Hindu, Sheikh, Humanist, and Buddhist. The children had a chance to listen to and talk to many different people about their own faith. They also had the chance to try different clothes and food linked to the different religions.

Despite the initial problems with a bus breakdown it was a lovely afternoon and once again I was very proud to be their headteacher.

Well Done

The team that took part in the Year 5 and 6 gymnastics competition on Monday in Daventry were fantastic. Not only did they represent the school so well in terms of their behaviour and attitude but they also finished in the Silver medal position. This was out of fifteen teams and they have qualified for the County championships in May.

A big thank you goes to Mrs Kelly for her coaching and support of the school and these competitions each year.

Year 3 and 4 on Monday 18th – Fingers crossed.
