Part of Peterborough Diocese Educational Trust

## Happy Easter

I want to just wish you all a very good Easter and hope you all have a good break. The children return to school on Wednesday 24<sup>th</sup> April. For those who can join us our Easter Service is tomorrow morning at 9.15 in St. Lukes Church.

## Toys in School

A number of children in the school have started bringing toys and games into school. These are likely to get lost or damaged on the playground and can lead to disagreements and other children being envious.

Can I please ask that children do not bring toys, games, cuddly toys or bouncy balls into school. I will remind the children after Easter but it would be really helpful if you could support us with this.

## Cars using School Lane

A number of times over the last term children and parents with pushchairs have come out of our side gate to find cars coming up School Lane. This is a public road but is very narrow and at the start and end of the day is full of very young children.

There is no space to park in this road so can I please ask that parents, grandparents and carers please, please do not use School lane to drop off or to park to pick up.

Please do not risk the safety of our children to save yourself a few minutes' walk.

## Value of the Term

## Down Syndrome Group Northampton

I wanted to provide you with a message that came through from Mrs Jones , a member of DSGN to thank us for the support from our Odd Socks Day.

*Dear Mr Tyler,*

*I just wanted to thank the school for supporting World Down Syndrome day on the 21<sup>st</sup> March with your Odd Socks Day. The charity plays a key part in our lives and the support they have provided us over the years has been so important and extremely helpful to the whole family. We are able to share our thoughts and worries with other parents who are in the same situation.*

*We have also been fortunate, that throughout Jasmin's time at Kislingbury the group have supported us to allow us to provide private speech and language and occupational health therapy for her. This has been invaluable to Jasmin' development.*

*I know there are other families and staff in the school who have connections with Down Syndrome, so to be able to get an awareness out to the whole school family and to see the support they gave has been fantastic.*

*I would like to thank all the children and staff for their support the £ 175.00 raised was just fantastic, as was seeing all the children and staff on the playground in their odd socks.*

Trustee*
