The school received £ 8,696.00 for 2014/15 academic year to support pupils.

This money was allocated into the following budgetary areas:

We have ear-marked a major some of that funding to help support a new Healthy living club which will start in September 2015. We will also re-join the SSCO group which will enable the school pupils to take part in greater cluster competitions. This will need some financial support for a Year five adventure activity residential alongside the Northamptonshire Healthy Child Initiative.
