

KS2

Our Local Area

Geography

(In the box above, draw pictures of all your favourite things in the place you live)

Name:

Task one

What is your street called?

What type of buildings are on your street and in your local area?

What natural features are on your street and in your local area?

List the different types of transport you have in your area.

Task two

Draw a map of your local area and make your own key.

Include:

- Roads and their names
- Buildings – schools, shopping centres, libraries, churches, medical centres etc.
- Natural features – rivers, green spaces, lakes, sea, hills/mountains

Key:

Task three

Write a persuasive advert for your local area. Think carefully about what its selling points are and why people would want to visit. What could they do whilst they are there? Remember to use persuasive language and share positive facts!
