### Miss Holland's Weekly Recommendation:

This week, I am reading *The Explorer* by Katherine Rundell. Although it is incredibly well-written, I am not enjoying it very much as it's a real adventure type of book and this is not my preferred style. However, I'm sticking with it as I know lots of people love this story!

A group of children are in a plane crash and end up being alone in the Amazon rainforest, where they have to learn to survive themselves. I know that a few of you will really love this story so please give it a try!

- ▶ *Review: **The Explorer** by Katherine Rundell review - wildly exciting adventure. The gripping tale of four youngsters plunged into the Amazon forest will delight with its warmth and wisdom*
