I can make and edit shapes to create a piece of art.

Use the computer program you have chosen to recreate the picture below using shapes. Try changing the colour of the fill and the outline of the shapes. Make sure you rotate the shapes so that they fit together like in the picture!

I can make and edit shapes to create a piece of art.

Use the computer program you have chosen to recreate the picture below to create your own self-portrait. Draw your own face using the Cubist style of Picasso.
