### Miss Holland's Weekly Recommendation:

This week, I am reading *The Girl with Space in her Heart*.

Mabel has a heavy suitcase of worries that she carries around in her head, as well as a huge **space in her heart** since her father left. When **her sister** enlists her help in exposing their **mother's** boyfriend as a cheater, she's sure it can't be true and turns to a magical artefact to help mend their **hearts**. The space symbol is interwoven cleverly throughout the text.

- ▶ *Reviews:* A **heart-warming** and laugh-out-loud story about learning that love is never lost and change doesn't have to be scary (Waterstones).

3:00 - 3.15
