

## Thursday 9<sup>th</sup> July

Remember to send photographs of your home learning to Mr Tyler, so that we can all see what you've been doing. Or alternatively, send them to [c.holland1943@gmail.com](mailto:c.holland1943@gmail.com) and I can include them in the PowerPoint.

- However, you can still choose from one of the old workouts he has done. He also has recorded 5min workouts for children which you could try out through the day.
- Or, alternatively, you could go for a walk, run around your garden, bounce on the trampoline (if you have one), do some skipping, or another form of exercise that you enjoy.

### Miss Holland's Weekly Recommendation:

This week, I am reading *The Girl with Space in her Heart*.

Mabel has a heavy suitcase of worries that she carries around in her head, as well as a huge **space in her heart** since her father left. When **her sister** enlists her help in exposing their **mother's** boyfriend as a cheater, she's sure it can't be true and turns to a magical artefact to help mend their **hearts**. The space symbol is interwoven cleverly throughout the text.

- ▶ *Reviews:* A **heart-warming** and laugh-out-loud story about learning that love is never lost and change doesn't have to be scary (Waterstones).

3:00 - 3.15
