Kislingbury C.E. Primary School

Part of Peterborough Diocese Educational Trust

Weather

The weather, being as bad as it has, meant we have had to cancel running club this week and we will also not be running it next Tuesday. The field is very muddy and too slippy to be safe.

In addition, can I remind parents to make sure their children have coats with them every day as we do try to get outside between the major downpours.

Gymnastics Success

You may remember four girls from the school qualified for the County Gymnastics Development Final, earlier this year.

The girls took part in the finals on the 4th of June in Wellingborough and once again were fantastic.

Despite many of the school's involved being large 'through' schools with specific P.E. teaching teams and school gymnasiums, the girls managed to win a fantastic Silver Medal with second place.

Over 100 schools entered the competition and they should be as proud of themselves as we are. A very big thankyou goes to Mrs Kelly and Mrs Wreford.

Kislingbury Fun Run

As part of the Village Summer Fayre there will once again be a 'Fun Run' on the morning of the 22nd of June at the playing fields in Kislingbury.

It will have a 9.00am start with an adult and a junior's course.

Green House Charity Day

Thank you to all of those who supported the Cake Sale run by Green House for the RSPCA. They raised a fantastic £ 115.00 for the charity.

Parental Survey

The Governors would like to thank all of the parents and carers who took part in the survey on parents evening in March. The feedback was very useful and also very positive. It was most pleasing to see that 100% of replies said they felt their child was 'well looked after' and 'taught well' and 99% said their child was happy at school and they would recommend the school to another parent. A full breakdown of responses will be on the school website. Thank you for your support, it is very much appreciated by the staff and management of the school.

Holidays

You may have seen my letter a couple of weeks ago about families taking holidays in school time. I won't go in to the legal side again but I would like to just make it clear; having looked at our data and comparing the relationship between absence from school and reduced pupil progress and achievement, the link is quite clear. Please, please try not to book holidays in term time. We all understand the cost implications, and for some of you the logistics of booking holidays from work yourselves but **it is** clearly effecting your child's education.
