Music Concert

This Friday, the 28th is our annual music concert by all those children who are learning an instrument with the NPAT music Service.

We are always conscious that some children have just started, and although we would not force them to take part we do try to encourage them to present a piece of music to the rest of the school.

If your child is currently learning an instrument at school with the NMPAT team you are more than welcome to join us on Friday. The concert will start at 2.00 and this year will include the choir singing some of the songs they performed at the Young Voices show.

Running Club

Myself and Miss Holland are very sorry we have not been able to hold the Running Club over the last month or so. Conditions on the field are still very bad. Much of the field is mud and the ground that isn't, is saturated. We will try to look at other arrangements and will keep you informed as soon as we can start again.

Crossing and Road Danger

You may be aware of both ours and the village's attempts to get the speed and signage changed around the school. We have been asked by the village parish council to record any 'near misses' on the crossing involving either our staff or families. If you do have a vehicle not stop as you are waiting to cross please come into school and let us know.

Value of the Term

Courage

"Have I not commanded you? Be strong and courageous, do not be scared, do not be fearful, do not be discouraged, for the Lord your God will be with you wherever you go".

Joshua 1 V9-11

You have to accept whatever comes and the only important thing is that you meet it with courage and with the best that you have to give.

Eleanor Roosevelt

He who is not courageous enough to take risks will accomplish nothing in life.

Muhammad Ali

Success is not final, failure is not fatal: it is the courage to continue that counts.

Winston Churchill

Blue for a Loo Day

We had a fantastic response to our charitable collection for the toilet twinning. The school raised over £ 480.00. This will allow us to support the provision of at least a couple of individual toilets and a complete block for a school. Once we have further details, including the grid reference details we will let you know. Well done to all those children who were involved with the idea and organisation.

Young Voices

I wanted to take the opportunity to thank all the staff, parents and especially children who supported the Young Voices event at the end of last term. The children made us very proud again and I had a wonderful time. It was a long and tiring day for everyone, so thank you all. Special thanks to Miss Holland, Miss Pittam, Mrs Lyon and Mrs Helmn

Swimming Lessons

Lampport Class have two more weeks of swimming lessons before changing to Rockingham whose lessons will start on Thursday 12th March. A letter giving more details and with a consent form attached will be sent out to Rockingham Class later this week.

Spring Term Dates

Mon 24 th Feb	School re-opens
Fri 28 th Feb	Music Concert (NMPAT Pupils) 2.00pm

Mon 18 th May	Year 6 Residential
Fri 22 nd May	School Closes for half term
Mon 1 st June	Children return today
Fri 17 th July	School closes for Summer

London Marathon

With a certain amount of disbelief, I have rather stupidly agreed to run the London marathon this year, in aid of charity. At the time, it seemed like a good idea. At this point, I am up to three runs a week, with the longest being ten miles and believe me, 26 miles seems like an impossible task.

I should have done this twenty years ago. I will keep going though, I am told it is worth it!

I am raising money for the charity, PhabKids who provide support for disabled children, enabling them to access holidays, activities and clubs with their families and children without disabilities. I would very much appreciate any support, either if you should see me running / hobbling down the road or if you could, through a donation on the just giving page.

My just giving page is <https://www.justgiving.com/fundraising/neil-and-tanya-tyler>
