Kislingbury CEVC Primary School

This Term's Value: Perseverance

"Success is not final, failure is not fatal: It is the courage to continue that counts."

– Winston Churchill

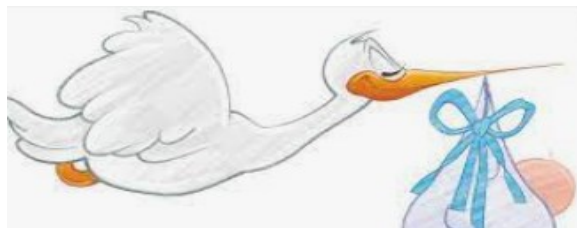

KS1 Restructure

At the end of last week, I sent out communication to EYFS and Year 1 parents to inform them of a structural change in KS1. To ensure consistency for those Year 1 pupils during a period of staff absence, we have made the decision to combine the EYFS and Y1 classes in the morning. In the afternoon, Year 1 will continue to be a part of Mrs Thornely/Miss Clavey's class. A huge thank you to Miss Pittam for reorganising her classroom and planning, to ensure that, pupils in both year groups, have access to the learning that they require.

Congratulations

Last week, we celebrated Mr Icke's happy news, this week I'm pleased to announce that Miss Neagle is also expecting her first child in the Summer Term. Unfortunately, Miss Neagle has been off school poorly so far this term, but, we are all wishing her a speedy recovery and look forward to welcoming her back as soon as she is feeling better.

Young Voices

Young Voices was a phenomenal event to experience. There were many silly songs and a few funky beats. A great surprise we soon came to realise: Heather Small sung live on stage!! It was incredible to be sat in the largest choir ever, singing in the Resorts World Arena. It was an unbelievable moment to be in the presence of Urban Strides. Andy (the Urban Strides Leader) was an amazing creative director. Well done to the super light effects designer, it really made Young Voices magical! Thank you for reading our views on Young Voices.

Written by James and Tilly Year 6

Village Choir at Christmas

Throughout December, James and Robin Lewington, and Seini and Naulu Ratinuwara joined a junior choir in Roade. They worked on a number of songs, and performed in the church service. It was an experience that all of the children enjoyed. Thank you to one of our reading volunteers, Anita Hughes, who enabled them to join, as well as to the parents of these children, who transported them each week.

Rockstars

The new year has begun and so our Rockstar 2023 journey begins. A reminder that the Year 4s will be taking the mandatory Multiplication Tables Check (MTC) so please encourage practice, especially on soundcheck. For all other Year groups with Rockstars or Numbots, remember that these skills appear almost daily in our maths sessions and that is why we recommend practising on TTRS.

This week, well done to Darcey (Y4) and Jacob (Y4) for the greatest increase in accuracy.

Well done to Ffion for collecting the most coins over the past seven days.

Den Building—Year 1 and 2-

Last week, because we had earned 20 reward balls we made dens in the hall. It was so much fun and the dens looked great. We used pillows and blankets and worked in teams.

There was lots of laughter and we all really enjoyed it. Well done Year 1 and 2.

Coming up this week

Bikeability Yr 6 only: Mon-Thurs
School Council Meeting: Tues (lunch)
Running Club: Wed
Tennis Tasters: Friday

Rockingham

Please can children in Rockingham bring in some alternative materials to paint with and over, such as cotton buds, tin foil, bubble wrap, sponges, leaves etc. The children can choose their own materials—be as creative as you can. This is for our art topic based on impressionist painter Claude Monet. Our next art session is on Thursday afternoon. Many thanks.

Tennis

On Friday 20th January we have Tennis Club coming in to provide a taster session for the children

School Lunches

Please can these be booked on Parentpay as far in advance as possible. Many thanks.
