

Kislingbury CEVC Primary School

This Term's Value: Forgiveness

'The weak can never forgive, forgiveness is the attribute of the strong.' Mahatma Gandhi

Friday 24th January 2023

Children's Mental Health Week

On the Friday before half term we had a mental health day. Lots of children 'dressed to express' and we all participated in a variety of activities to promote and talk about mental health.

All classes drew what they thought good mental health looked like. We had some superb ideas put onto paper. After much deliberation, three pieces were selected and these pieces will be sent off to a final competition where they could be made in a wooden statue and placed in a Northamptonshire Country Park. Well done to Louis (Y1), Ffion (Y5) and Mollie (Y6).

Each Key Stage had a breathing session with Mr Icke. He introduced different ways that breathing can help and Mr Icke also took the children through some basic meditations. In fact, it was not just the children, staff took part too!

Roman Day

“Veni, vidi, vici”

So many children came, saw and conquered Roman Day on Monday in KS2. There was such a vast array of costumes, from Roman Soldiers to citizens to Roman Gods.

Lots of children had a special Roman Numeral lesson for maths on Roman day followed by learning about the gods and designed their own battle shield with symbols on.

It was a great day!

‘The happiness of your life depends upon the quality of your thoughts’ Marcus Aurelius (Roman Emperor 161 –180 CE)

Industrial Action

There will be a separate letter regarding the school’s response to the industrial action taking place on Wednesday 1st March.

Rockstars’ Shout Outs

Fantastic job to Eden, Theo and George (Y2) for collecting lots of coins in Numbots over the past 7 days.

Well done to Ffion and Ella-Rose (Y5) for increased accuracy over the past week.

Superb job to Megan (Y6) for the most minutes over the past week.

Excellent work by Ffion (Y5), Matilda (Y6) and Artie (Y6) for earning the most coins this week.

Big Sleep Out

A huge congratulations to Cooper (Y4) for raising awareness and money for Northampton Hope Centre in aid of homelessness. Cooper had his Big Sleep Out in his garden and raised a fantastic £596.55.

We received a lovely email from The Hope Centres Events Fundraiser to say impressed they were and superstar he was for undertaking this event. Well done Cooper.

DATES

2nd March: World Book Day (Animal Theme)

8th March: International Women’s Day

13th March: Assessment Week

13th March: British Science Week

16th March: SATs Information Evening (Letter to come)

21st March: Atomic Tom!

28th/29th March: Parent Consultations.

30th March: Last day of term

Reading Books and Volunteers

Just a polite reminder to remember children’s reading books each and every day at school. We have a fantastic set of volunteers that hear our children read and we wouldn’t want any child missing out on the opportunity for extra reading at school.
