5/6 BOYS' FOOTBALL

We are taking part in Pacesetter Games this year where children across the school will have an opportunity to compete in various sports against other schools.

This week was the turn of the Year 5/6 boys to play football.

Not only did they play well, represent themselves and the school fantastically, show the school values, play as a team, they **WON** the whole tournament.

Well done boys!

CLARINET CONCERT

On Wednesday, the school and parents were treated to a clarinet concert by Rockingham class. Following on from 9 weeks of tuition, the class put on an amazing performance and blew us all away with the skills they all had on the clarinet. Well done, also, to Mrs Lunn for picking up the clarinet and learning too!

VALUE OF THE TERM: RESPECT

In everything, set them an example by doing what is good.

Titus 2:7

We model respect in our schools and we would like to remind all, that when speaking to our school staff, whether in person or on the phone, and to people in the community we do so respectfully.

Let's talk about...

SPEED

“

Slow traffic
makes it safer
for us to walk
and cycle to school

”

Every day, six children are killed
or seriously injured on UK roads

25% of parents say traffic is too fast for their
children to walk or cycle to school*

Whoever you are, however you travel,
we need to talk about speed.

ROAD SAFETY WEEK

Last week was road safety week and most children had the opportunity to talk about being safe on roads. As a village with a busy main road it is imperative we keep each other safe. Always remind your children and yourself how we can stay safe on the roads.
