

MATHS – YEAR 5

WHITE ROSE MATHS

- As you may be aware, we follow White Rose Maths to teach. They have very kindly prepared excellent Maths resources for home learning during this difficult time.
- Because this follows our method, we are going to use this as our Maths lessons for this week.
- You can find all you need on following website:
<https://whiterosemaths.com/homelearning/year-5/>
- Make sure you click on Week 1.
- Step 1: Watch the video carefully – you can always watch it more than once if needed. PLEASE GIVE IT YOUR FULL ATTENTION!
- Step 2: Complete the activity task.
- Step 3: Get the answers

WHITE ROSE MATHS

Outline for this week:

Monday: Decimals to 2 places

Tuesday: Decimals as fractions (1)

Wednesday: Decimals as fractions (2)

Thursday: understanding thousandths

Friday: Thousandths as decimals
