

Phonics

Friday 3rd April.

- On Fridays we use games to consolidate our learning in phonics. I have included a 'Roll and Read' mat for each of the sounds we looked at this week. I have also included a read and race game.
 - I have also included links to the Phonics Play website which is currently free to access using the login details shown. There are now two versions on the website and the new version can be accessed on tablets and phones.
- Please choose from Phase 4 and Phase 5 activities.

Coronavirus Update

In response to the ongoing situation, we have decided to make PhonicsPlay free to use during this period. Children can use the site at home without their parents needing to subscribe. To access our resources all you need to do is log on using the following details.

Username: **march20** Password: **home**

We are currently very close to completing a new version of the PhonicsPlay site that is accessible on all phones and tablets. We will therefore also ensure that it is possible for users to freely access this new version of the site (with apologies in advance for any areas of the site that are not yet fully finished or double checked). The site can be accessed here: [new.phonicsplay.co.uk](https://www.phonicsplay.co.uk).

Our aim to ensure that existing subscribers aren't disadvantaged and will seek to make sure that after the school closures are over and the site returns to normal, that existing subscribers have additional time added to their subscription.

If you haven't already discovered www.phonicsplaycomics.co.uk you may also find these free decodable comics useful at a time when you can't physically exchange your children's decodable reading books.

We wish you good health and all the very best at this stressful time.
