A long way out in the deep blue sea there lived a fish. Not just an ordinary fish, but the most beautiful fish in the entire ocean. His scales were every shade of blue and green and purple, with sparkling silver scales among them.

The other fish were amazed by his beauty. They called him Rainbow Fish.

"Come on Rainbow Fish," they would call. "Come and play with us!" But the Rainbow Fish would just glide past, proud and silent, letting his scales shimmer.

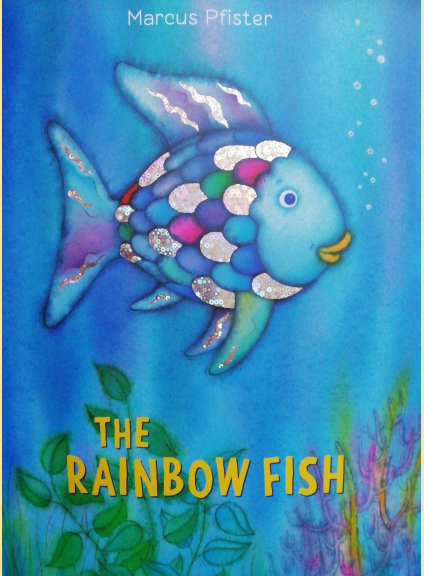

What colour scales does the Rainbow Fish have?

What do you think will happen to Rainbow Fish?

What did the other fish call him?

Does the Rainbow Fish live near the shore? How do you know?

What does 'proud' tell you about the Rainbow Fish?

What is the effect of saying 'not just an ordinary fish'?
