

Dear Ant,

This week, we are staying in a tent in Lenton because Mum forgot to rent a flat. Dad is mad!

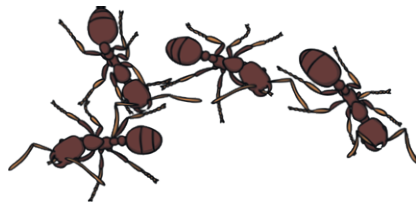

The tent is good but there might be some ants in my things when I get back. There have been lots of ants. I left a mint choc bar near the front of the tent. In the morning, the ants had got it.

We went to see a point on a big mount. It was just a big rock. Dad said it was so good to see it so we spent a lot of the week there.

We had a BBQ for dinner. Dad burnt all the food so they sent me to the shop to get some crisps.

See you next week.

From Brent
