

Making Arrays

Monday 27th April

What is an array?

An array is made up of rows of equal groups.

We can use counters, bricks or any other objects to make array.

We can draw arrays using pictures or dots.

This is an array to show the number sentence $4 + 4 + 4 = 12$

There are 3 rows.

There are 4 counters in each row.

There are 12 counters altogether.

Complete the sentences.

There are _____ in each row.

There are _____ rows.

____ + ____ + ____ + ____ = ____

There are _____ altogether.

Complete the sentences.

There are __5__ in each row.

There are __4__ rows.

$$\text{__}5\text{__} + \text{__}5\text{__} + \text{__}5\text{__} + \text{__}5\text{__} = \text{__}20\text{__}$$

There are __20__ altogether.

Complete the sentences.

There are _____ in each row.

There are _____ rows.

_____ + _____ + _____ = _____

There are _____ altogether.

Complete the sentences.

There are __3__ in each row.

There are __3__ rows.

$$__3__ + __3__ + __3__ = __9__$$

There are __9__ altogether.

Complete the sentences.

There are _____ in each row.

There are _____ rows.

_____ + _____ + _____ = _____

There are _____ altogether.

Complete the sentences.

There are __6__ in each row.

There are __3__ rows.

$$__6__ + __6__ + __6__ = __18__$$

There are __18__ altogether.

Dom

The matching number sentence is $5 + 5 + 5$.

Kat

The matching number sentence is $3 + 3 + 3$.

Who do you agree with?
Explain your answer.

Dom

The matching number sentence is $5 + 5 + 5$.

Kat

The matching number sentence is $3 + 3 + 3$.

Who do you agree with?
Explain your answer.

Dom is correct.

There are 5 in each row and there are 3 rows.

What array could be built with 6 cubes?

Build, draw and describe the array.

or

What array could be built with 6 cubes?

Build, draw and describe the array.

2 in each row. 3 rows.

or

3 in each row. 2 rows.

Task — use object to make these arrays and complete the sentences.

There are 5 in each row.

There are 2 rows.

$$5 + 5 = \underline{\quad}$$

There are altogether.

There are 10 in each row.

There are 3 rows.

$$10 + 10 + 10 = \underline{\quad}$$

There are altogether.

There are 2 in each row.

There are 3 rows.

$$2 + 2 + 2 = \underline{\quad}$$

There are altogether.

There are 3 in each row.

There are 4 rows.

$$\underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

There are altogether.

There are 4 in each row.

There are 4 rows.

$$\underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

There are altogether.

There are 6 in each row.

There are 2 rows.

$$\underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

There are altogether.

Extension

Make your own arrays and write the sentences to describe them.

There are ____ in each row.

There are ____ rows.

_____ = _____

There are ____ altogether.
