The little blue fish whizzed through the ocean with his scale flashing, so it didn't take long before the Rainbow Fish was surrounded by the other fish. Everyone wanted a glittering scale.

The Rainbow Fish shared his scales left and right. And the more he gave away, the more delighted he became. When the water around him filled with glimmering scales, he at last felt at home among the other fish.

Finally the Rainbow Fish had only one shining scale left. His most prized possessions had been given away, yet he was very happy.

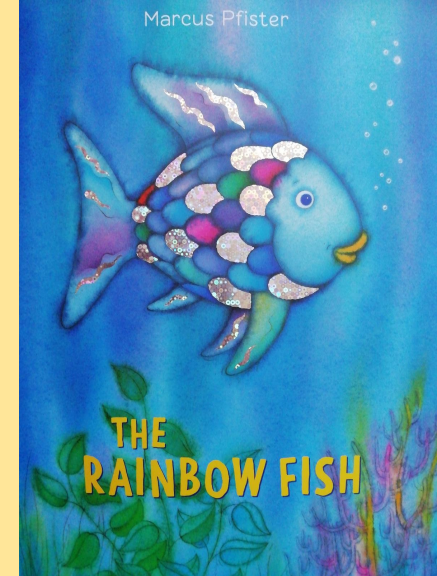

"Come on, Rainbow Fish," they called. "Come and play with us!"

"Here I come," said the Rainbow Fish and, happy as a splash, he swam off to join his friends.
