The stingray flaps his wings,
But don't you get too close to him
His tail really stings!

Never shake hands with a lobster,
It isn't a wise thing to do.
With a clipperty-clap
And a snipperty-snap
He would snip all your fingers in two.

Miles below the surface,
Where the water's dark and deep,
Live the most amazing creatures
That you could ever meet.

There are fish of all descriptions,
Of every shape and size
Some have giant pointy teeth
And great big bulbous eyes.

Some of them can walk around
And balance on their fins'
But the strangest fish of all
Have glowing whiskers on their chins!
