

TOPIC: MARVELLOUS ME! 02.10.26

IMPORTANT NOTICES

Please help us at collection times to ensure the children find their adult as quickly as possible. We would be grateful if you could please wave back at them only when they wave to you when being dismissed to show us that you have both found each other. We kindly ask that you do not wave at any other time to avoid and confusions.

As always, please check the board for your child's name and wait to speak with us until the end of dismissal as we will have a message for you.

This week's phonics Sounds

Reading Books

You may have noticed that wordless books are going home in your child's reading record starting this week. Please read these books as much as you can at home and these will be changed weekly. Wordless books can be used in different ways from describing the pages in full sentences or telling a story using the pictures. Happy reading!

This week's phonics game:

Go on a treasure hunt for items beginning with the letter sound 's' / 'a' / 't' around your home, garden or outside.

Super challenge - have a race and see who can find the most in a minute!

Autumn Treasure Hunt

Children have been given a special **Autumn Treasure Hunt** bag to help them explore and think about the changes of the seasons. Please help your child to collect some special autumn treasures e.g., conkers, beautiful leaves etc., from the world outside and bring them into school as soon as they are finished.
