

TOPIC: MARVELLOUS ME! 26.9.26

IMPORTANT NOTICES

Reading books will be in book bags to take home next week. Please ensure they are in book bags in their reading folders every morning. These books are wordless in the first instance to promote reading behaviours e.g., looking at the page, turning the pages in order. They also help children think and recall story content and begin to use story telling vocabulary. Please explore these stories at home - telling each other the story you see from the pictures and discussing it together.

This week's phonics Sounds

m n i d

*Please add these to your keyring and review them during games and challenges.

*Our previous sounds

s a t p

RE - About Me Stars!

Please send in your child's RE reflection star - what am I good at/what do I enjoy? for us to share and think about in class.

This week's phonics game:

Place the sound cards on the top of the table one by one and 'race' to say the correct phoneme. The person who says it first, wins the card. The winner gets a prize. Oddly, all adults are surprisingly slow at this game... ;-)

Autumn Treasure Hunt

Children have been given a special **Autumn Treasure Hunt** bag to help them explore and think about the changes of the seasons. Please help your child to collect some special autumn treasures e.g., conkers, beautiful leaves etc., from the world outside and bring them into school as soon as they are finished.

session
Weds 30th @ 14.30

Fine Motor Challenge

We have been wrapping packages in class like the animals in Dear Zoo. Can you do any wrapping at home?

As always, please let us know at drop off or collection if you have any concerns or queries.
